Short-Term Employment

The governing board of any community college district shall employ persons for positions that are not academic positions. The governing board, except where Article 3 (commencing with Section 88060) or Section 88137 applies, shall classify all those employees and positions. The employees and positions shall be known as the classified service. Substitute and short-term employees, employed and paid for less than 75 percent of a college year, shall not be part of the classified service.

Substitute employee, as used in this section, means any person employed to replace any classified employee who is temporarily absent from duty.

Short-term employee, as used in this section, means any person who is employed to perform a service for the district, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis.

Seventy-five percent of a college year means 195 working days, including holidays, sick leave, vacation and other leaves of absences, irrespective of number of hours worked per day.

Unless otherwise permitted, a person whose position does not require certification qualifications shall not be employed by a governing board, except as authorized by this section.

Before employing a short-term employee, the governing board, at a regularly scheduled board meeting, shall specify the service required to be performed by the employee pursuant to the definition of ‘classification’ in subdivision (a) of Section 88001, and shall certify the ending date of the service. The ending date may be shortened or extended by the governing board, but shall not extend beyond 75 percent of a school year.
