

DID YOU KNOW?

Important IVC Student Information for the **Fall 2015** Semester

- All first time new students who wish to earn priority registration must complete math and English assessments (or provide approved alternative), complete college orientation and must have an education plan.
- New students that do not meet the above criteria will enroll after the students who have earned priority.
- For priority registration continuing students must be in good academic standing (2.0 GPA) and **have not exceeded 90 degree applicable units** (not including units in basic English, basic math or English as a Second Language). We encourage students on probation to seek help to improve their academic standing. Student nearing 90 degree applicable units should carefully plan their remaining courses.
- Active-duty military and veterans, current and former foster youth, CalWORKS eligible students, followed by students in Extended Opportunity Programs and Services and Disabled Students Programs and Services will continue to have first priority for registration if they meet the same criteria listed above.
- Your priority registration date and time for Fall 2015 will be noted in the Student Portal the later part of May.
- California Community College regulations require that concurrently enrolled high school students receive a low enrollment date so as not to displace adult students. As of Winter 2015 enrollment fees are waived for K12 students.
- **Beginning Fall 2016 two consecutive semesters of probation will lead to loss of the BOG Fee Waiver** until the student is no longer on probation. We encourage students on probation to seek help to improve their academic standing.
- **Students can now access DegreeWorks from any computer.** DegreeWorks will provide you with an educational plan that determines which classes you may still need to take in order to graduate and/or transfer. Visit the Student Services Computer lab today to learn more about this very useful tool for students.
- **Apply for Financial Aid ASAP** – assistance with fee waivers, books and other educational expenses is available, but only if you have completed the FAFSA and all related IVC requirements. Check Webstar to determine the status of your financial aid file. You must complete your FAFSA and submit ALL required documents 6 weeks prior to the beginning of the Fall term to determine FeeWaiver and payment eligibility.
- **Need an official copy of your transcript?** Go to www.parchment.com, this site now processes all official transcript requests for IVC.

Fall 2015 Important Dates

July 6, 2015

Priority registration begins for continuing and former IVC students.

August 17, 2015

Fall 2015 classes begin.

January 5, 2015

Winter Intersession classes begin.
