Frank Rapp called the regular meeting of the Imperial Valley College Curriculum Committee to order at 3:10 pm on Thursday, February 19, 2015.

B. Approval of the Minutes

1. Regular Meeting of December 4, 2014

M/S/C (Akinkuoye/Blek) to approve the minutes of the December 4, 2014, regular meeting of the Curriculum Committee, as presented. The motion carried.

II. Action Items

A. Credit Courses

1. Revised Courses

- a. **NURS 128 – Nursing Care of the Childbearing Family (4.5)**
- b. **VN 116 – Patient Care Management and Critical Thinking**

M/S/C (Drury/Akinkuoye) to approve the update to objectives and/or texts as indicated in CurricUNET, for NURS 128 and VN 116, effective 2015-2016, as presented. The motion carried.

III. Discussion Items

1. Course Review Timeline

Frank explained that it is important to complete the review of courses that have a last revision date in excess of three years. Dixie explained that the original list included the first third of courses in inventory by alphabet and that by using this method of review we risk the loss of certain articulation on courses not part of the list due to outdated textbooks. The list will be resent and departments have been requested to review the list sorted by last COR revision date to assure that all courses outside the 3 years will be reviewed. Departments were asked to submit to Dixie the dates that courses were reviewed by the department if no changes were needed.

IV. Information Items

1. CTE Curriculum Academy Update – Dixie Krimm

Refer to attached notes.

V. Other Items

None.
