ORDER OF BUSINESS

II. APPROVAL OF AGENDA & MINUTES

M/S/C Parish/Mazeroll to approve the minutes from Thursday, November 13, 2014 as submitted.

III. UNFINISHED BUSINESS

a.) Review and approve AP 3900 Speech: Time, Place and Manner

Dean Lopez provided the AP 3900 to all committee members. He stated that free speech areas are designated by the institutions. A group has been challenging eliminating the areas and become open. Dean Lopez attended a meeting a couple weeks ago by the Chancellor's Office to discuss the item. The meeting discussed the main problem at the many campuses. Attorneys from LCW (Liebert Cassidy Whitmore) stated that many campuses do not have adequate free speech areas and in some instances, schools have been sued. IVC currently states that the Amphitheater is the only free speech area and not the Quad. Dean Lopez provided a revised AP 3900 with additional areas such as the quad.

M/S/C Parish/Campos to add new language to AP 3900, see attachment.
