I. Opening of the Meeting

Sydney Rice opened the meeting of the Imperial Valley College SLO Committee at 3:40 pm on Tuesday, March 11, 2014.

Approval of Minutes: February 11, 2014 Meeting

M/S/C (Solomon/Smith) to approve the minutes of the February 11, 2014 meeting of the SLO Committee, as presented.

II. Discussion Items

1. ILO survey results

Sydney reviewed the survey responses; 73 responses. Feedback was predominately positive. Sydney will go through the responses and asks the committee to also review and bring suggestions back to the next meeting in April.

Drawing participants were numbered and three were randomly drawn by committee members. Winners are: Kevin White, Cady Bow, and Fernanda Moran.

2. SAOs

Sydney Rice explained that there have been areas that have been removed from the requirement to submit SAOs. Since SAOs align with ILOs it is not appropriate for every area to develop them as not all areas directly affect students. Areas that directly affect students in support of the mission of the college should submit SAOs.

The committee discussed the list as presented by Sydney (see attached); possibility of moving Library to the list of area that need to submit SAOs since they may hold workshop for students. Labs can be looked at programmatically; in the future if an area decides to offer something the directly impacts students they can be moved over on the list to submit SAOs.

This decision to determine whether an area needed to submit SAOs was driven by the need to enter data into SPOL. We do not want to upload unnecessary information into the system.

3. Curriculum Mapping

Sydney reviewed the mapping forms. Audrey Morris and a few others have been given the form to start working on in their areas. Sydney is working with Daniel Gilson regarding the PLOs for Life Science, General Science, and Physical Science which are similar and may possibly be able to share PLOs. Daniel will be talking to discipline faculty for input.

4. Retreat

The retreat is scheduled for March 22, 2014 in Indio, CA

Attending: Sydney Rice, Kathy Rodriguez, Lisa Solomon, Mary Ann Smith, Sandie Noel

Sydney reminded those wanting to attend to complete the travel request form. She will send a link to the form.

III. Next Meeting: April 8, 2014

IV. The meeting adjourned at 4:20 pm.

In accordance with the Ralph M. Brown Act and SB 751, minutes of the IVC SLO Committee record the votes of all committee members as follows: (1) Members recorded as absent are presumed not to have voted; (2) the names of members voting in the minority or abstaining are recorded; (3) all other members are presumed to have voted in the majority.
