**III. Discussion Items**

**1. Review template for SLO departmental discussion**

Jill Nelipovich discussed the creation of a template for SLO departmental discussion. Will be kept simple; types of department discussion may include how to deal with 100% success rates with their SLOs. Departments should consider what is actually being done with the assessment to improve teaching.

Sidne Horton suggested that instructors could be paid for a seminar (through Atlas); possibly late afternoon the Thursday before orientation. Can tie in with SPOL. Part time instructors could be invited.

**2. ACCJC questions**

There was a lot of work done on the report. Determining how courses across disciplines are affecting those courses across the disciplines.

**3. Report to Curriculum Committee**

Jill reported information regarding the ACCJC questions to the curriculum committee. Beyond mapping ACCJC would like to see more dialogue about how program SLOs link across disciplines.

**4. Program Assessment**

Discussed under item 3.
