- New students that do not meet the above criteria will enroll after the students who have earned priority.
- For priority registration continuing students must be in good academic standing (2.0 GPA) and have not exceeded
 90 degree applicable units (not including units in basic English, basic math or ESL). Students nearing 90 degree applicable units should carefully plan their remaining courses.

- Your priority registration date and time for the Fall Semester 2017 will be noted in the Student Portal the later part of June.
- California Community College regulations require that concurrently enrolled high school students receive a low

 for K12 students and they may register for up to 11.5 units for the Fall Semester.

- Students can now access DegreeWorks from any computer. Students meet with a counselor first to develop an educational plan together and then students can access the plan via DegreeWorks from any computer that has an internet connection. - Students who were enrolled past the first two weeks of classes in Fall 2016, Winter 2017 or Spring 2017 do not need to apply and should skip to Step #3. Students who have not attended IVC before or who did not attend one or more of these terms, must first apply for admission. Go to the IVC homepage at www.imperial.edu and click on Apply Now.

After your online application is received and processed (applications uploaded every hour), an e-mail will be sent to your email address informing you of your admission status or requesting additional information, if needed. You will also receive an email indicating what your student ID will be for our college.

Foreign students who wish to attend on an F-1 student visa also must submit a completed International Student Application packet in addition to the online application. Contact the Admissions and Records Office or go to **www.imperial.edu**, click on *For Students* and select *Admissions & Records*. The application for International Students can be found under *Forms*.

WebSTAR - Student/Teacher Automated Resources

Application for admission and registration for classes is done online over the internet. Registration is done through Web-STAR which is available seven days a week. You may use any computer with an internet connection.

Computers are available for student use on campus in the Admissions & Records Office, Counseling Center or the Library Media Center. When possible, computers in labs also will be available. Employees are available to help students in the Admissions & Records Office (Building 10).

If you are having trouble getting into WebSTAR and registering for classes, please call **760-355-6101** and someone from Admissions and Records will be happy to assist you.

Ayuda en Español estará a su disposición en las oficinas de Admisiones y Consejería.

Registration (Signing Up for Classes)

Registration is via the internet using WebSTAR except for students who will still be in high school.

Read E-Z Step number 1 on the previous page to determine if you need to complete the online application before signing up for classes.

Refer to the page at the beginning of this booklet entitled *Important Dates and Deadlines* to determine when registration begins and ends. Register as early as possible to have the best chance of getting the classes you want at the times you wish to take them.

CAUTION: Do not wait until deadline dates to register, add or drop classes. If you have any problems, you will need time to resolve them. Some deadline dates may fall on days when the College is closed. Staff members are available only during working hours. If you wait until the last minute to attempt to add or drop, you may not be able to get the help you need and will not be able to successfully complete your transaction.

For instructions on when and how to register read the following sections on: *Plan Your Schedule of Classes; Priority Registration Assignments; Register or Add Classes*.

ALWAYS verify you completed the process correctly after doing any registration transactions (initial registration, adding, or dropping) by **reviewing and printing your schedule**. See the later section on *Review and/or Print Your Schedule*. Then review your fees (see later section on Review Fees).

Signing On To WebSTAR

WebSTAR is IVC's Self-Service tool for Adding/Dropping Courses, Seeing your Course Schedule, Viewing Your Unofficial Transcripts and more!

Login Instructions:

- Go to the IVC Homepage (www.imperial.edu), under the For Students dropdown menu WebSTAR is listed as the first link.
- 2. Click on the *Home* tab at the top of the page and then select *Direct WebSTAR Link*.
- 3. For *User ID*, input your social security number or student ID (9 digits, begins with G00).
- 4. Enter your PIN.
- 5. Click on LOGIN.
- 6. If you have not used WebSTAR before, you must use your birthdate as your first PIN. You will then be required to change it to another number. Re-enter your current PIN, which is your six-digit birthdate. Then, input a new PIN, which should contain the following: minimum of 8 characters in length, lowercase, uppercase letters, numbers and symbols. Do not tell anyone else what your PIN is.
- 7. Enter a security question. If you forget your PIN in the future, you may be asked this question and if you know the answer, your PIN may be released to you. Keep it short and a question that not just anyone will know the answer to. Some examples: Dog's name? Nephew's name? Mother's maiden name? Favorite car?
- 8. Input the answer.
- 9. Click on Submit.
- 10. If you agree to the terms of usage, click on *Continue*.

Plan Your Schedule Of Classes

Pay close attention to when and where the classes meet. When selecting classes using WebSTAR, use the following key for class meeting days:

 $\mathbf{M} = \text{Monday}$ $\mathbf{T} = \text{Tuesday}$ $\mathbf{W} = \text{Wednesday}$ $\mathbf{R} = \text{Thursday}$ $\mathbf{F} = \text{Friday}$ $\mathbf{S} = \text{Saturday}$ $\mathbf{U} = \text{Sunday}$

Examples: **MTWR** = class meets on Monday, Tuesday, Wednesday and Thursday

MW = class meets on Monday and Wednesday **TR** = class meets on Tuesday and Thursday

Some classes are offered off campus. The six to eight-digit building and room number follow the name of the instructor in the printed Class Schedule. The first three to four digits are the building and the last three to four are the room number. For example, 200-203 is Building #200, room 203. Refer to the page containing location codes before the listing of classes for off-campus designations. Most off-campus locations will have alphabetical abbreviations before the room number. For instance, SHS-C-10 is Southwest High School, room C-10.

Not all classes are offered for the full semester. In the Class Schedule, all start and end dates are indicated for each course. Each short-term class has an individual set of deadline dates to add, drop, be eligible for a refund, etc. Check with the Admissions and Records Office or your instructor for deadline dates.

By California State law, you will not be allowed to register for courses that have any overlap of time, or for two classes with the ending time of one being the starting time of the other. Exceptions will not be made. Plan your schedule so you have enough time between classes to get to the next one. If it meets on a different campus, you will need to allow travel time. Leaving class early or arriving late is not acceptable.

The The maximum number of units for which students may register is 19 for primary terms (Fall and Spring). Exceptions might be made for students who have a cumulative GPA of 2.50 or higher and special circumstances. For more information, make an appointment with counseling by calling (760) 355-6543. A normal class load in the Fall and Spring Semesters is considered to be 12-18 units plus a PE activity class. Students working full time are encouraged to carry a reduced load.

Once students have completed a proficiency in a subject area with a C or higher grade, they may not take a lower proficiency level in that subject area. For example: A student may not enroll in English 009 after having successfully completed English 110. (This does not apply to vocational refresher courses.)

Prerequisites are requirements that must be met before courses may be taken. **Corequisites** require that two courses be taken in the same semester. **Recommended preparation** is strongly recommended by the faculty for the student to have a good chance of successfully completing the course. All such requirements are listed under the course title in this Class Schedule and the Catalog. **Prerequisite requirements** must be completed with a C grade or higher.

Course Reference Numbers (CRN) are required for each course for which you wish to register. If using the printed Class Schedule, the five-digit number is listed before the time each class section meets.

Priority Registration Assignments

Priority registration is available to new, continuing or former IVC students; assignments are based on the number of total degree applicable units you have earned at Imperial Valley College. Students who have not attended IVC previously after leaving high school are considered "new" students and may be eligible for priority registration if they have completed the following: orientation, assessment and a student educational plan (SEP). After your online application is received and processed, you will receive an e-mail informing you if you have been readmitted or additional information is needed. Applications are uploaded every hour so check your email for messages. Contact the Admissions and Records Office if you have questions or concerns.

6. Scroll to the bottom of the screen.

- 7. Add Classes Worksheet: This is a handy form to use so you may register for more than one course at a time. If you have already reviewed the printed Class Schedule and know the Course Reference Number (CRN) of the course(s) for which you want to register, input each of them on the worksheet. Then click on Submit Changes.
- 8. If you do not know the CRNs, click on Class Search.

Most Common Error Messages:

DUPL EQUIV WITH SEC-....: You are attempting to register for more than one section of the same course, or for two cross-listed courses such as AG 110 and ENVS 110.

MAXIMUM HOURS EXCEEDED: You are attempting to register for more than the number of maximum units allowed: 19 for Fall or Spring Semester, 9 for Winter Intersession.

PREQ and TEST SCORE ERROR: You are attempting to register for a course for which you have not met the prerequisite through course work completed at IVC, or accepted in transfer from another college or university (to be evaluated, transcripts must be on file in the Admissions and Records Office). Filled Classes

When classes are filled, a "C" will appear in place of the selection box in front of the class under the Class Search function of WebSTAR. If you attempt to register for a course and the maximum number of seats are already taken, you will receive a message telling you the class is filled. We suggest the following:

 Go for the sure thing and try to find another class section of the course that still has seats available. Under the "Class Search" function, input the "Subject" and "Course Number" (for example, Art 160). Click on "Class Search at the bottom of the page and all class sections of the course offered will be displayed. Note the following headings:

Cap – the total capacity of the class; number of total seats possible
 Act – number of students actively registered at this time

- As a last resort, attend the first class meeting to attempt to receive the instructor's permission to enroll. If successful, you will be issued an add authorization code by the instructor. Go online immediately and use that code to register.

Wait List Procedures

Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List. **Students cannot be added to a wait list IF:** (1) it is prior to a student's registration appointment; or (2) the student is already enrolled, or on a wait list for another section of the same class; or (3) the wait list is full: or (4) the class has started.

Students are added to the wait list for a class on a first-come, firstserved basis. As seats become available, students are given the option via their IVC email to add the class in which they are wait-listed.

INSTRUCTIONS:

- 1. See the earlier sections on Signing On To WebSTAR and Register.
- To determine if there are Wait List slots available for a class go
 to Look Up Classes to Add. Select the term and click Submit,
 Select the Subject and enter the course number (example:
 select English and 110 for course number). Look at the Wait List
 numbers under the WL columns. Scroll down and click register.
- 3. Input the CRN of the class you wish to Wait List.
- 4. Click on Submit Changes.
- 5. Click on the *Action Box* and select Wait Listed. (Note under Status it will list how many students are on the Wait List.)
- 6. Click on Submit Changes.
- 7. You will receive an email through your IVC email address if you clear a Wait List and are able to register for the class. Check your emails daily as you will only have 24 hours to register for the class once you clear the Wait List.

- To drop a Wait Listed class go to the Add/Drop Classes section. Click on the Action Box and select Drop No "W" with a refund.
- 9. Click on Submit Changes.

Students will not be added to a class IF: (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed: or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the IVC student email address. Students are responsible for all fees generated from added classes.

The Wait List is only active up to the first day of the semester, after this point an Add Authorization Code from the instructor is required.

Add Authorization Codes

An Add Authorization code is required to register beginning on the first day a class meets whether it is filled or open. Codes may not be input (used) until the first day the class meets.

Add authorization codes are four-digit numerical codes available only from the instructor of the individual class section. Each code may be used by one student only to register for that specific class. Students should attend the first class meeting to request a code. If one is granted, the student to whom it is assigned must input it in WebSTAR to register. Use of Add Authorization code by any other student will be grounds for disciplinary action. Use the code as soon as you obtain it; do not wait until the last day to register. If you encounter a problem, you may not be able to resolve it before the deadline. ABSOLUTE DEADLINE FOR FULL-TERM CLASSES: Saturday, August 26.

INSTRUCTIONS:

- See the earlier sections on Signing On To WebSTAR and Register or Add Classes for step-by-step instructions for using WebSTAR.
- Input the CRN of the class for which you wish to register or add to your schedule. If this is a class you have Wait Listed click on the Action Box and select *Registered via Web*.
- 3. Click on Submit Changes.
- You will then receive a message that the course status is *INCOMPLETE* with a box in which you must input the Add Auth Code. Type it in the box provided.
- Click on Validate. The code will be checked to make sure it is assigned to the class CRN. If okay, APPROVED or VALIDATED will appear in the space under "Status." YOUR REGISTRATION IS NOT COMPLETE.
- Click on Submit Changes. If no other errors appear, "Registered via Web" will appear under "Status."
- Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.
- 8. Review your fees. See later section on *Review Fees*.

Dropping Classes

Maintain control of your own records. As soon as you know you will not be attending a class, DROP IT by using WebSTAR. You will receive grades of "F" for courses you are no longer attending and have not dropped and those grades will remain on your transcript FOREVER.

Give your fellow students a break. Others may be trying to register for a class you know you will not be attending; drop it so they may be able to take it.

DO NOT RELY ON ANYONE ELSE; PROTECT YOUR RECORDS.

Instructors MAY drop for nonattendance, but many do not. You are responsible for all classes for which you register. Do not assume you will be dropped for nonattendance. The failing grades you receive will not be changed because you quit attending. Short-term classes have unique deadlines – contact the Admissions and Records Office.

Refer to *Important Dates and Deadlines* at the beginning of this Student Schedule for specific dates.

CAUTION: <u>Do Not Wait</u> until these deadlines to drop. Some fall on days when the College is closed. If you have problems, no one will be available to assist and exceptions will not be made because you did not drop on time.

WebSTAR Instructions:

- Follow the instructions for "Register or Add Classes" until you reach the Add/Drop Classes screen.
- Click on the arrow in the Action box of the class you wish to drop. The drop status possible for the course at the time you are attempting to drop will be displayed. Click on that status.
- 3. Click on Submit Changes.
- Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.
- 5. Review your fees. See later section on Review Fees.

Change Grading Options

If you have registered for a course which allows you to select either the standard letter grading option or P/NP, on your current schedule in WebSTAR on the *Add/Drop Classes* screen "Standard Letter" will be underlined in the Grade Mode column. If you wish to change to P/NP grading, click on the underlined word. You will be taken to the Change Class Options screen. A drop-down box will appear in the Grade Mode box under the course. Click on the arrow in the drop-down box and select Pass/No Pass. You may also get to this screen by selecting *Student Services & Financial Aid, Registration, Change Class Options*.

All changes in grading options for full-term courses must be done no later than Saturday, August 26. The deadline for short-term courses is the same deadline as to register for the class. Contact the Admissions and Records Office for a specific course deadline.

Change Variable Units

Some courses may be taken for an optional number of units, with a specific number of hours of participation required to earn the number of units for which you are registered. An example is WE 210, General Work Experience.

If you are uncertain how many units you wish when you register, you should select the smallest number of units. If you register for more units than you are able to complete required hours, you will receive a grade of NP. After meeting with the instructor, you may change the number of units. The deadline to change is the same deadline as to register for the class.

View and Update Mailing Address and/or Telephone Numbers

After signing into WebSTAR, click on *Personal Information Menu*. Then click on the option you wish to view or update, follow the instructions and provide the information requested. To change your permanent address this must be done in the Admissions & Records Office.

In addition, they must physically reside in California for at least one year and a day before the first day of classes and establish intent to make California their permanent home at the beginning of that year. Any change in residency status must be dealt with during the first two weeks of the term. See catalog for additional information.

A waiver of nonresident tuition may be granted to eligible California high school graduates. Please contact the Admissions and Records Office for more information.

The **Student Representation Fee** was approved and implemented by student vote. It is used to support student government representatives in stating their positions and viewpoints on behalf of the IVC student body before city, county, and district government, and before offices and agencies of the state and federal government.

The Health Fee is not related to health insurance and is required whether or not students choose to use the services. The Board of Governors (BOG) fee waiver will not cover this fee. Students receiving a BOG, will need to pay the fee. Exemptions from the fee may be granted for the following:

See section on Parking on Main Campus for more information.

Students may purchase **medical insurance** for accidents or illness sustained while they are enrolled. Contact the Student Affairs Office for brochures and costs.

Fee Payment

Tuition and fees are due when you register. Fees will be charged for all classes not dropped by the deadline to be dropped and be eligible for a refund or fee credit (for full-term classes see *Important Dates and Deadlines* at beginning of this Student Guide). You should pay as soon as you have registered and have your class schedule set.

Payment may be made by cash, credit card, check, or money order. Students may pay by credit card online through WebSTAR. See *Pay by Credit Card* in previous section. Payment also may be made by mail or in person at the Cashier's window in the Administration Building. If paying by check or money order, include your Student ID (User) number (begins with G00) on your check. DO NOT MAIL CASH.

IVC has a partnership with a company called Nelnet Business Solutions (FACTS e-Cashier) that provides monthly payment plans (handling fees apply). For more information on this option, please visit: FACTS (e-Cashier) at www.imperial.edu, log into the Student Portal and click on WebSTAR then make the following selections: Student Services Menu, Student Records, Account Summary and click on e-Cashier. For additional plan information see page 51.

Agency payment: Paperwork for fees paid by outside agencies must be submitted to the Business Office.

Refunds and Fees Owed

By California state law, refunds/fee credits can only be given for full-term classes dropped on or before **Saturday, August 26** for the Summer Term. Tuition and fees will be owed for all full-term classes not dropped by that date, regardless of attendance. **Short-term classes must be dropped by the ten percent point of the class.** See the Admissions and Records Office or your instructor for specific deadline dates.

Students eligible for financial aid or who are due a refund can select to have funds posted on the IVC MyCashCard or ACH transferred to their bank account by logging on to www.enroll.moneynetworkedu.com and choosing their disbursement method. Students due a refund who do not select the IVC MyCashCard or ACH transfer will receive a check mailed to their current mailing address as listed in WebSTAR. Students should make sure that their mailing address is correct in WebSTAR. Please note that receipt of a card does not guarantee that you will be eligible for a refund.

Imperial Valley College students receiving federal financial aid (Title IV funds) who do not attend any classes will be required to repay all of the funds they received. Students who withdraw from all classes prior to completing more than 60% of the semester will have their financial aid eligibility recalculated based on the percentage of the semester complete, and will be required to repay any unearned financial aid they received. For additional information, contact the Financial Aid Office in Building 1700.

Grades and Transcripts

You may view and print an unofficial transcript of grades earned at IVC using WebSTAR. Grade reports are not mailed.

For information on IVC's Grading System please refer to page 37 of the 2016-2017 IVC Catalog.

Official transcripts must be requested through **Credentials Inc.** Contact the Admissions & Records office for directions to order official transcripts via **Credentials Inc.**, or click on Request your Transcript on the IVC homepage (www.imperial.edu).

Repeating Courses

Students who receive a grade of D, F, NC or NP in a course may repeat that course one time to earn a passing grade. To repeat a course a second time a student will need to petition to repeat. After the second and/or third grade is earned, the previous grades and credits will no longer be included in the calculation of the GPA. All grades will continue to be shown on the student's transcript. Also students now will only be allowed to repeat a class two times for a total of three enrollments to include the following evaluative and/or non-evaluative symbols: D, F, NC, NP or W.

Some courses, such as PE activity courses, are designated as repeatable in the Class Schedule up to a maximum number of times. Unless designated as repeatable, students are not eligible to repeat courses in which they have earned grades of A, B, C, CR or P except where special circumstances exist. Justifiable circumstances may include a significant lapse of time since the course was taken <u>and</u> the course is needed to meet a recency prerequisite requirement on the course by the district or another institution of higher education to which the students seeks to transfer, extenuating circumstances or the course is needed for employment or licensure.

To petition for an exception based on special circumstances, obtain the necessary form from the Admissions and Records Office or Counseling Center. The forms are also found online at www.imperial.edu. Click on the For Students tab and select Admission & Records. Click on the + next to Forms and then select the appropriate Repeat Petition. Petitions submitted after the late registration period will not be considered for the current term. If permission to repeat a course in which a grade of C or higher has been earned is granted, the new grade will appear on the transcript but will not be computed in the GPA, nor will additional credit be granted. Refer to the college catalog for additional exceptions and regulations regarding repeating a class.

Name, Permanent Address and Social Security Number Changes

Changes must be requested in writing together with appropriate documentation. Contact the Admissions and Records Office for additional information.

Parking On Campus

Parking permits are required for each vehicle parked on campus including motorcycles and motor bikes when classes are in session. Between semesters when classes are not being held, parking permits are not required for student spaces.

Tickets are issued for reserved (faculty/staff), disabled, metered, 15-minute, and no-parking spaces year around.

Ticketing for parking violations in student spaces begins **Monday, August 28.**

Parking Permits may be purchased online through Parking Plus. This enables students to order their semester parking permit online and have the permit directly mailed to them. From the IVC Homepage click on *For Students*, select *Parking Control* and then click on *Buy your parking permit online*. Step by step instructions will be given to order your permit online. Parking permits may also be purchased at the Parking Control Office. Students will be asked to complete a Vehicle Registration Form indicating the license plate number, make, model, year, and color of their vehicle. Refer to the section on *Student Fees* for costs of permits.

All vehicles utilizing <u>disabled parking</u> must have a state issued identification placard, i.e., Department of Motor Vehicles issued placard or DV plates. Rules regarding parking in Disabled Zones are governed by the California Vehicle code beginning in Section 22507.8 and 21458. Students who have a current California disabled placard are not required to pay for a semester parking permit (must park in disabled or student parking only).

Auditing Classes

Auditing of classes is not permitted. All students attending a class at Imperial Valley College are required to be properly enrolled in that class for credit. Both auditing and casual attendance are prohibited.

Class Attendance

Students who do not attend the first class meeting **WILL be dropped** by the instructor immediately following that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. Students are expected to attend **ALL** sessions of the classes for which they are registered. It is the student's responsibility to contact instructors regarding any absence.

A student may be excluded from further attendance in a class during any term when absences after the close of registration have exceeded the number of class hours which the class meets per week. However, it is your responsibility to drop yourself, not the instructor's. Dropping after the deadline to drop classes will not be possible.

PROTECT YOUR RECORDS: go online and drop yourself from any course in which you no longer intend to participate. If you do not drop by the deadline to be eligible for a refund or fee credit, you will be required to pay for the class. If you do not drop by the last day to drop that class you will receive a failing grade which will remain on your record **FOREVER**.

BP 5052 Open Enrollment

Reference: Title 5 Section 51006

The policy of Imperial Community College District is that, unless specifically exempted by statue or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

The policy will be published in the catalog and schedule of classes. See AP 5052

Transfer Credit

Imperial Valley College (IVC) grants credit for lower-division units earned at institutions of higher education regionally accredited by the Western Association of Schools and Colleges (WASC).

To be considered for transfer credit, students must request that official transcripts be forwarded directly to the Admissions and Records Office from each institution where courses were taken, or present an official transcript in an unopened envelope sealed by the college/university. Transcripts that have been opened by anyone other than an IVC official will not be considered official and will not be evaluated.

Students should arrange for official transcripts to be received as soon as possible after they decide to attend IVC. In addition, an official evaluation to determine applicability of courses to IVC degree or certificate requirements is essential for effective advisement.

Official transcripts from all institutions attended must be on file and evaluated by the Admissions and Records Office before students apply to receive a degree, certificate, or general education certification to a California university.

Questions regarding specific courses for which a student is seeking transfer credit should be addressed to the Counseling Center or Transfer Center at IVC.

For complete information regarding Transfer Credit, please review Policy For Earning College Credit section on page 38 of the 2016-2017 IVC college catalog.

Academic Freedom

The common good of society depends upon the search for knowledge and its free exposition. Academic freedom is essential to both these purposes and is the right of reasonable exercise of civil liberties and responsibilities in an academic setting. As such it protects each person's freedom to express opinions both inside and outside the classroom, to practice one's profession as teacher and scholar, librarian, or counselor, to carry out such scholarly and teaching activities as one believes will contribute to and disseminate knowledge, to express and disseminate the results of scholarly activities in a reasonable manner, and to select, acquire, disseminate and use documents in the exercise of one's professional responsibilities, all without interference and all with due and proper regard for the academic freedom of others. Academic freedom does not require neutrality, but rather makes commitment possible. However, academic freedom does not confer legal immunity, nor does it diminish the obligations of practitioners to meet their duties, their responsibilities, and their scholarly obligations to base research and teaching on an honest search for knowledge.

Nondiscrimination and Sexual Harassment Policy

Imperial Valley College does not discriminate in the admission nor in the offering of programs and activities because of ethnic group identification, gender, gender identity, gender expression, genetic information, pregnancy, race, color, national origin, religion, age, sex, physical disability, mental disability ancestry, sexual orientation, language, accent, citizenship status, transgender status, parental status, marital status, economic status, or veteran status, medical condition or on the basis of these perceived characteristics, or based on association with a person or group with one or more actual or perceived characteristics.

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy.

For more information please refer to the California Department of Fair Employment and Housing Website, www.dfeh.ca.gov, or the U.S. Equal Employment Opportunity Commission Website, www.eeoc.gov.

Limited English speaking students, who are otherwise eligible, will not be excluded from any vocational education program.

The coordinator for Imperial Valley College's compliance with Section 504 of the Rehabilitation Act of 1973 is the Chief Student Services Officer, 380 East Aten Road, Imperial, CA 92251, (760) 355-6106. The Deputy Title IX Coordinators for Imperial Valley College are the Chief Human Resources Officer, (760) 355-6212 and the Dean of Student Affairs & Enrollment Services (760) 355-6456.

Family Education Rights and Privacy Act (FERPA)

All educational records of students who enroll at Imperial Valley College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. The following are designated as directory information as per AP 5040 and are available from the Admissions and Records Office: awards and degrees received, participation in official college activities and sports, height and high school of graduation of members of athletic teams. Students who want their information kept confidential must file a petition in the Admissions and Records Office. The entire policy can be found on page 34 of the 2016-2017 IVC college catalog.

Distance Education

Online (Internet) courses are referred to as Distance Education (DE). The various technologies used for delivery of instruction may include some combination of print, voice, video, and data delivered via the Internet. Distance education classes are equivalent to traditional lecture based classes with no distinction made on transcripts to indicate the class was taken via distance education.

How It Works

Students must have reliable access to the Internet to take an online class. Online classes meet on the Internet using a web browser. Features of the web, such as discussion boards, email, computer-based tests, and file uploads/downloads will be used in most classes. Some classes may require face-to-face meetings on campus in order to take tests. Some online classes include video lectures.

Online classes at Imperial Valley College are taught using the Canvas Learning Management Systems. They are easy-to-use, menu-driven applications. Students must be enrolled in a class to access these sites.

To access Canvas, go to https://imperial.instructure.com/login/canvas

You will have access to any online course you have registered for on the first day of the semester.

Please visit the DE Website at https://www.imperial.edu/courses-and-programs/distance-education/ for more information.

FINANCIAL AID

Financial aid programs are intended to help eligible students pay for college expenses including books, fees, transportation, and other necessities. The IVC Financial Aid Office encourages students to become informed about the variety of aid programs available to community college students.

Financial aid funds are administered in accordance with federal and state regulations governing financial assistance for education. The basis of the policy is that students and their parents have the primary responsibility for meeting educational costs. - 2. Have a high school diploma or GED.
- 3. Be enrolled as a regular student working toward an eligible degree or certificate.

Student Success & Support Program

The Student Success & Support Program (SSSP) enhances student access to the California Community Colleges and promotes and sustains the efforts of credit students to be successful in their educational endeavors. The goals of the Student Success & Support Program are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives.

In order to receive priority registration at Imperial Valley College, new first-time college students are required to complete the following:

- Orientation
- Assessment
- · Academic Advisement

Continuing students are strongly encouraged to complete these steps to ensure continued success at Imperial Valley College and to maintain their priority registration.

Orientation

Orientation is mandatory for first-time college students. It introduces the students to critical information for student success. It provides valuable information about financial aid, students' rights and responsibilities, types of degrees, certificates, college policies & procedures, and student support services. Students can access the orientation online or through another designated orientation service on campus.

Assessment

English and Math are skills that students use in nearly all of their college classes. Assessment helps to determine students' skill levels in these areas. Students can go to the Assessment Center on a walk-in basis to take their tests. Students can visit the website at www.imperial.edu/assessment for available test times or call the Assessment Center at (760) 355-6450 or (760) 355-6447. Other tests are also used to comprise multiple measures, i.e. Early Assessment Program test scores.

Counseling

After taking the placement tests students need to develop, at a minimum, an abbreviated Student Educational Plan. After completion of 15 degree applicable units, students need to have a comprehensive SEP developed. Course advising is specific to each individual student and is based on recommended classes identified through the student's assessment results, educational goal, and personal interests.

**If new students do not complete the matriculation requirements it will affect their registration priority or course registration in a subsequent-term.

Students Rights and Responsibilities

- · Identify an education and career goal
- Diligently engage in course activities and complete assigned coursework
- Complete courses and maintain progress toward an education goal and completing a course of study

Institutional Responsibilities

- The College shall take steps to ensure that information regarding its matriculation policies are accessible and available to all students
- Once the student has identified a course of study and completed 15 semester units of degree applicable course work the college must provide the student with an opportunity to develop a comprehensive student education plan

Exemptions

Students may be exempt from completing orientation, assessment, and having an SEP if the student:

- Already has a degree
- Is enrolling at the college for avocational purposes and completed the services at another college
- Is enrolling to complete an academy or certification program (e.g. police or fire) or
- Is a Special Admit (concurrent enrollment high school student)

AVISO: El criterio de prioridad de registración cambio en el otoño 2014:

Estudiantes de nuevo ingreso al colegio tienen que tomar sus exámenes de ubicación, además de completar la orientación al colegio y asesoría académica, para ser elegibles para prioridad. Estudiantes que están continuando con sus estudios tienen que mantener un promedio académico de 2.00 y no exceder 100 unidades para ser elegibles para prioridad.
