

ICC Minutes Nov. 4, 2022

- Scholarships
- What can ASG do for you?
 - Help students – stood out the most
 - Itsel Landeros added she wants to make sure that we are not only learning about student's needs, but also making sure that we are taking action on their needs. ASG will be using survey data to drive ASG goals, making sure that the goals are attainable, and will continue advocating for student support services.
 - Jose Carrillo would be uploading the survey results to BoardDocs after the meeting.

6. Information/Discussion**Information/Discussion: 6.1 First Reading - ACCJC Mid-Term Report**

- **Jia Sun provided an overview for the ACCJC Mid-Term Report:**
 - The Midterm Report is submitted in the 4th year of a comprehensive peer review cycle.
 - Work started in April/May 2022.
 - Report developed with report writing groups and contributors to ensure there is campus wide participation.
 - There are five sections on the Midterm Report:
 - The report provides an update on how it has integrated improvement plans arising from the self-evaluation into its ongoing planning and implementation process;
 - Addresses work accomplished in response to the improvement recommendations affirmed by the Commission in its Action Letter;
 - Reflects on actions it has taken to improve intuitional performance related to student learning outcomes and institution-set standards;
 - Reports on the progress and outcome from the action projects identified in its most recent Quality Focus Essay;
 - Reflects on fiscal health and indicates actions taken to improve conditions.

Information/Discussion: 6.2 XLSSTAT Software for Mathematics

- Jill Nelipovich provided an overview and explained that XLSSTAT is an add-on to excel, and a great tool for students. Students will no longer need to purchase Math lab.
