Notes/Instructions: SLO Name: SLO 1

Student Learning Outcome: To build medical words from Greek and Latin prefixes, suffixes, word roots, and combining forms as measured by a comprehensive final exam and the class average passing at 75% or higher.

Purpose of This Email:

The SLO listed above is to be assessed during the Fall 22/Winter 23 Semesters.

This has been assigned to you by your Department Chair.

Due Date:

By March 10, 2023

This SLO data can be submitted anytime when it is completed. However, you will have until the fourth week of the Spring 23 Semester to report/submit your data.

This length of time is given to ensure that the ?Closing of the Loop? is completed. Some departments discuss the findings at a departmental meeting. If this is the case for your department, then in the ?Closing of the Loop? box, complete it by stating that data will be discussed for improvements at a departmental meeting.

A reminder Nuventive assignment will be sent out at the beginning of Spring 23.

Need Help Completing This Form:

If this is your first time completing the new Nuventive form, this video will walk you through the process.
